

## BONUSES

Inverteo may choose to grant bonuses to the Client by depositing them into the Client's trading account, subject to those terms and conditions that Inverteo determines at its sole discretion. The amounts of such bonuses cannot be withdrawn by the Client unless they meet the corresponding operational requirements published on the Inverteo website, which may be periodically modified.

If Inverteo suspects or has reason to believe that the Client has attempted to engage in any fraudulent activity in order to claim a bonus or to benefit from any other promotion, Inverteo reserves the right to:

- (i) Cancel or reject the bonus promotion, or any other related bonus, at its absolute discretion.
- (ii) Suspend the Client's access to the services provided by Inverteo and/or terminate the contract between Inverteo and the Client for the provision of services.

If Inverteo suspects or has reason to believe that the Client has abused the terms and conditions of a bonus offer by hedging positions internally (using other investment accounts held with Inverteo) or externally, Inverteo reserves the right to cancel the bonuses and any transactions or benefits associated with the Client's account(s).

Bonus promotions may be restricted in certain jurisdictions.

Inverteo reserves the right to cancel or reject bonus promotions, at its absolute discretion.
